To Whom It My Concern

We are writing this letter to recommend the service of BengKok Electrical Contractor. During the past 1 year our company has been working with BengKok Electrical Contractor on numerous different kinds of electrical wiring projects. The company offer high quality services. We can say that we always been satisfied by their work.

One of the projects that we appointed out the concern for quality and attention to detail that company has. For the first electrical wiring project we award to Bengkok Electrical Contractor the company design electrical drawing, equipment spec and wiring accordingly Energy Commission requirement. In our opinion it has been the knowledge and quality of work that company the resulted in impressive result.

We would like to ask you to consider BengKok Electrical Contractor for upgrading and new wiring installation. I strongly recommend the workmanship and services of the company and I am looking forward to working with the company again for future new electrical project.
